

Interclub Pace of Play Policy

In all Match Play events, including Inter-club matches, it is expected that all groups will finish in no more than 4 hours, or no more than 15 minutes behind the group preceding them.

In the event that your group falls behind and there are open holes ahead, please pick up your balls and halve the hole. Advance to close the gap and catch up to the group ahead of you.

Approval – This policy was approved by the VGC Board of Directors in 2021.
