

Victoria Golf Club Policy on No Shows for Tee Times

Purpose – To inform Members of their responsibilities and sanctions regarding booked tee times.

Rationale – Tee times are a valuable commodity and are much in demand. Members of Victoria Golf Club like to play golf and if a tee time goes unused it could mean that another Member is missing out on a golf game.

Background –

1. Members can ballot for tee times 4 to 10 days in advance.
2. Tee times are confirmed and Members informed via email 3 days in advance.
3. Members may remove their name from a ballot by telephoning the Pro Shop.
4. Members may remove their name from a confirmed tee time online up to one hour prior, or by telephoning the Pro Shop.

Summary – Members who have booked tee times (or had them booked for them) are expected to tee off at that time or remove their name from the tee sheet prior. There are consequences for Members who repeatedly do not remove their name and do not show up for their booked tee time. A Member who will be late and intends to join their group on the course, must inform the Pro Shop or will be subject to the No Show Policy.

Details –

- Members who do not remove their name from the Tee Sheet prior to their tee time and who do not show up for their tee time (No Show) will receive a letter via email from the Match Committee.
- After each documented No Show, the Member involved will receive an email from the Match Committee.
- The 3rd, 4th and 5th No Shows documented, within one year = 1 week prohibition playing before 2 pm.
- 6 or more No Shows documented within one year = 1 month prohibition playing before 2 pm.

Approval – This policy has been approved by the VGC Board of Directors on February 13, 2024 and is effective March 1, 2024.
